End of Description

The above description containing approximately 32,891 acres utilizes the Bristol Lake Southwest, Cleghorn Lakes, Dale Lake, East of Valley Mountain, Lead Mountain Southwest, and Valley Mountain 7.5 minute quadrangle maps prepared by the USGS. The boundary calls listed herein are in part a result of scaling distances from said quad maps and are not a result of survey. All courses have been depicted upon the above mentioned quad maps and are made a part of this official record. Acreages are calculated from the California State Office Arc/Info wilderness coverage.

I hereby certify the legal description and map herewith represent the location of the boundary of the Cleghorn Lakes Wilderness designated by the California Desert Protection Act, Public Law 103-433, dated October 31, 1994.
